Ninth Annual Haven Challenge Golf TOURNAMENT

The Haven I, II and III are residential group homes for infants and children, birth to 9 years of age, who have been removed from their own homes because of abuse or neglect.

The Haven provides a stable, safe, nurturing environment for all children who call The Haven "home". We strive to make a difference in each child's life with the hope of affecting future generations by breaking the tragic cycle of child abuse.

The generous support and involvement of the community makes caring for our most fragile, abused and abandoned children possible.

Because of your support, we are making a difference — one child at a time.
